

Introduction:

Today we will conclude our look at *God's shaping process*.

Things we will look at in this lesson: Freedom Without Self-Effort

Freedom Without Self-Effort:

01. Why can't the Law save us?

02. What does the Law enable us to see?

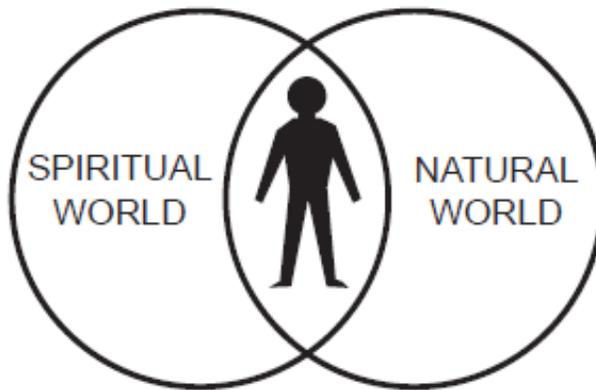

03. Why are sins like covetousness difficult to identify?

04. What is humanity's natural tendency?

05. Why is the Law spiritual, holy, just, and good?

06. What does Paul acknowledge that he is still in the process of?

07. What must we do once we understand God's provision?

08. How do opponents of the pre-conversion view argue that Paul saw himself?

09. Why do those who say “Paul is describing himself as an immature believer” think he was feeling frustration and defeat?

10. In what way does legalism make a believer wretched?

11. How does God accomplish sanctification in us?
